

CAMP WHITEWATER

Camper Disciplinary Form

(To be submitted on registration day at Camp)

Our children attend camp in order to have a good time. We who operate the camp understand this. And, we also try our best to see to it that all who attend camp will have a good time. Rules are kept to a minimum so that we can “bend” when no one will be hurt by doing so.

However, discipline must be maintained or we will end up with chaos. Therefore, the camp directors and the counselors need to be respected, listened to and obeyed. We need you, as parents, to help us with this by encouraging your children to live their Christian lives at camp too.

Please, do not allow your children to bring any of the following items to camp: shaving cream, knives, or weapons of any sort, matches, fireworks, cigarettes, cigars, chewing tobacco, alcohol, or any illegal drugs of any sort.

Please, parents, check your children's bags before coming to camp. It is also up to you to follow the rules. None of the things above are needed by the campers at camp.

This is more than just a mere request! Failure to comply will result in immediate dismissal from camp.

Also, consistent and persistent failure to listen to the directors and /or the counselors when spoken to will result in dismissal from the camp.

In the campers keeping and obeying the rules, we can guarantee a good time for all the precious children that you are entrusting to our care. We trust that this meets with approval and we request your signature verifying the fact.
